DETAILED ACTION

1. Claims 1-24 are pending.
2. Claims 1-24 are rejected under 35 U.S.C. 102(b) as being anticipated by Mandler, US 5,732,400.

Applicant's May 9, 2005 REMARKS have been reviewed, but are not convincing. Mandler, as discussed in the October 8, 2004 Office Action, discloses product information, e.g. goods or services offered by a broker inherently contain product information, and identifying at least one of the plurality of products for which the buyer is at least likely to be approved to purchase using the at least one financing vehicle, e.g. risk classification. Thus, Applicant's REMARKS in juxtaposition to the claim language do not provide a line of demarcation over Mandler.

3. Claims 1-24 are rejected under 35 U.S.C. 103(a) as being unpatentable over Walker, US 6,088,686.

Applicant's May 9, 2005 REMARKS have been reviewed, but are not convincing. Walker, as discussed in the October 8, 2004 Office Action, discloses product information, e.g. elements from claims 11 (f) and 13 (f) of Walker, and identifying at least one of the plurality of products for which the buyer is at least likely to be approved to purchase using the at least one financing vehicle, e.g. determining prescreening profile. Thus, Applicant's REMARKS in juxtaposition to the claim language do not provide a line of demarcation over Walker.

Conclusion

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
